

CASTELLO DAL POZZO
RESORT | LAGO MAGGIORE | ITALIA

Philosophy

Folia Life is a meeting place, where you can escape from the daily "folly" to immerse yourself in nature, an element that distinguishes these environments. A natural evasion that envelops you in the elements of the earth: the breeze of the panoramic terrace, the crystal clear water of the infinity pool, the scents of old trees and the unmistakable flavors of our chef's culinary bio-proposals. Make Folia Life your favorite destination for a regenerating escape.

POOL

Immersed in the greenery of the centuries-old park, the outdoor swimming pool of Castello Dal Pozzo Resort is a mirror of crystalline water, surrounded by a beautiful garden, in a privileged position, which guarantees a fantastic intimacy and privacy.

A large sundeck that recalls the colors of wood frames the mirror of water, the comfortable chaise-longues and the emotional waterfalls, make the ideal atmosphere for pleasant days of tranquility in absolute quiet.

BAR

The Folia Bar is the quietest corner of the Resort: almost hidden, but full of glimpses on the horizon of Lake Maggiore. When the heat becomes unbearable, Folia Bar amplifies your sunny days and offers the relief of a drink served directly at the edge of the pool, accompanied by some interesting bio-proposal of the Chef. The sounds of nature keep you company while the barman conquers your senses with delicious signature cocktails.
